

END USER ACKNOWLEDGEMENT

Employee/Student Acknowledgement Arm Academic Access

By signing below I acknowledge that I have fully read and understood the terms and conditions of the Arm Academic Access Agreement ("**Access Agreement**") which the university or institute to which I am affiliated ("**Licensee**") has accepted in order to allow me access and use the Arm Technology for non-commercial purposes limited to academic research, training and or education purposes only. Defined terms in the Access Agreement shall apply to this End User Acknowledgement and shall have the same meaning. I understand and accept that:

- I can use the Arm Technology for non-commercial purposes limited to academic research, training and or education purposes only on campus at the Licensee and on Licensee provided facilities and equipment.
- If I want to manufacture my design of an Arm Compliant Product I must inform the Licensee, and Licensee will need to request a separate agreement from Arm which grants the right to manufacture my Arm Compliant Product.
- If I want to disclose the Arm Technology or any derivative to a third-party, I must inform the Licensee and the Licensee will need to first contact Arm to discuss and obtain permission.
- In the event my research is successful, and I want to commercialize or distribute my design of an Arm Compliant Product I or the Licensee must contact Arm to negotiate a license.
- I must use my Licensee email account in order to access and retrieve the Arm Technology or other materials.
- I will comply with all applicable export control laws and regulations. If I have any questions about what export control requirements may apply or how these requirements may impact my work, I will reach out to the Licensee.
- If I want to use Arm Technology in connection with military research or for end use in a space or military application, I must inform the Licensee and the Licensee will need to contact Arm to discuss and obtain permission.
- I understand that any processing of my personal data by Arm will be governed by Arm's privacy statement that describes Arm's privacy practices. Please visit <https://www.arm.com/company/policies/privacy> to learn how Arm collects, uses, shares and otherwise processes

information related to individuals to learn about your rights and choices regarding Arm's processing of your personal data.

I agree that during and after my employment, affiliation or study with the Licensee I will maintain the Arm Confidential Information in strictest confidence and only use the Arm Confidential Information in accordance with the terms and conditions of the Access Agreement. Upon completion of my work/project/research or upon Arm's request, I will immediately destroy all copies of Arm Confidential Information in my possession including but not limited to all electronic files, documentation, notes, plans, and drawings.

Acknowledged and agreed
